COMMENTS (Number each comment to show from whom to whom. Draw a line across column after each comment.)

Mr. Fitzwater:

We have been advised that the General Services Administration (GSA) has put out three separate contract proposals (one for each Building exactly the same) to repair the roofs, install sprinkler systems in each building, improvements to the power distribution within each building and repair the windows. The bid openings are scheduled for August 30th, 31st, and September 13, 1983.
